

2018 JERSEY FRESH FARM TO SCHOOL FARMER RECOGNITION AWARD

APPLICATION DEADLINE: APRIL 30, 2018

The New Jersey Department of Agriculture wants to recognize farmers who are doing an outstanding job connecting with schools, through incorporating their local produce in school meals and educating students about agriculture. One farmer will be honored with the *JERSEY FRESH FARM TO SCHOOL FARMER RECOGNITION AWARD* during Jersey Fresh Farm to School Week September 24-28, 2018. Applying for this program is an opportunity to promote your Farm to School efforts, such as featuring Jersey Fresh produce in local school meals. In addition to the health benefits of eating locally grown fruits and vegetables, this program encompasses endless educational opportunities to teach students about fresh produce grown in the Garden State and the New Jersey agricultural industry.

Participating farms in *JERSEY FRESH FARM TO SCHOOL FARMER RECOGNITION* will receive an exclusive Jersey Fresh Farm to School promotional materials kit, which includes a Jersey Fresh Farm to School banner, hats, aprons, seasonality charts and stickers.

APPLICATIONS ARE DUE APRIL 30, 2018. To learn more about resources available for growers, visit the New Jersey Department of Agriculture's Farm to School Program website at www.farmtoschool.nj.gov.

The United States Department of Agriculture (USDA) supports Farm to School through research, training, technical assistance, and grants.
